**SUPPLEMENTARY INFORMATION:** The Secure Rural Schools and Community Self Determination Act was extended to provide stability for local counties by compensating them, in part, for the decrease in funds formerly derived from the harvest of timber on Federal lands. Pursuant to the Act, the five Committees serve western Oregon BLM districts that contain Oregon and California grant lands and Coos Bay Wagon Road grant lands. Committees consist of 15 local citizens representing a wide array of interests. The RACs provide a mechanism for local community collaboration with Federal land managers as they select projects to be conducted on Federal lands or that will benefit resources on Federal lands using funds under Title II of the Act.

All meetings are open to the public. The public may present written comments to the Council. Each formal Council meeting will also have time allocated for hearing public comments. Depending on the number of persons wishing to comment and time available, the time for individual oral comments may be limited. Individuals who plan to attend and need special assistance, such as sign language interpretation, tour transportation or other reasonable accommodations, should contact the BLM as provided above. The Resource Advisory Committees will be based on the following BLM District boundaries:

Coos Bay District Resource Advisory Committee advises Federal officials on projects associated with Federal lands within the Coos Bay District which includes lands in Coos, Curry, Douglas, and Lane Counties.
